

The Mt. Diablo Unified School District has been hit hard by State funding cuts. The effects of these cuts on Clayton Valley High School are significant and profoundly limit educational opportunities and services for our students.

The Effects of Budget Cuts at CVHS include:

- Every class not filled to capacity risks cancellation. Cancelled classes result in fewer class options, more scheduling conflicts and fewer electives and honors/advanced placement opportunities.
- Class size for 9th grade English classes increased from 20 to 33 students and Math classes increased to 37 students.
- School librarian reduced to only two days per week.
- The American Sign Language curriculum eliminated. Orchestra and Jazz Band combined into one period. Racquetball class eliminated.
- The number of custodial and supervisory personnel reduced. The hours of the office and support personnel reduced. Computer technician hours reduced.

How can YOU help restore services to CVHS?

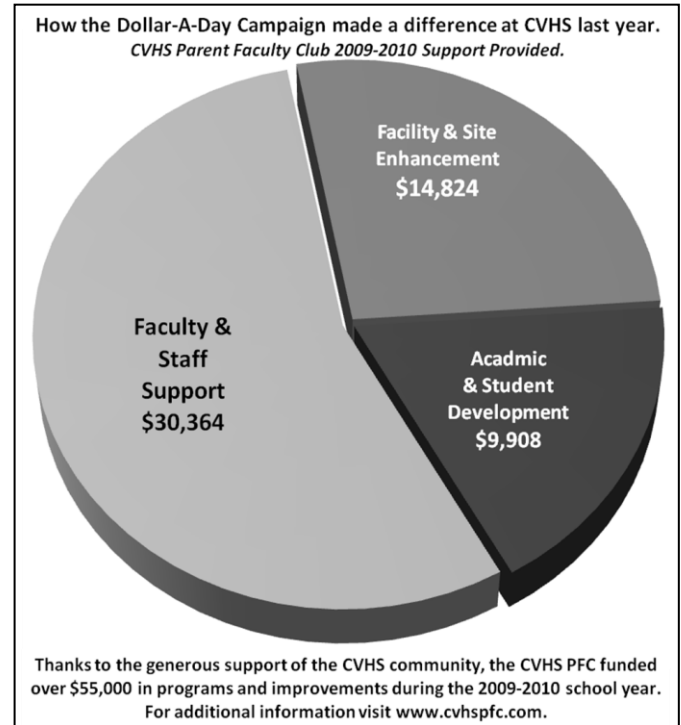

We are asking each Clayton Valley High School family to donate **one dollar for every day their student attends CVHS**. That amounts to only \$175.00 for the year! Last year approximately 20% of CVHS families participated in this fundraising drive. This year we hope to see that increase!

What will a Dollar-A-Day buy for your CVHS student? For the students of Clayton Valley High School, a **Dollar-A-Day** provides increased library time, access to support services, facility and computer technology improvements and support for the faculty and staff. **With the participation of every CVHS family, a Dollar-A-Day restores programs and services that have been eliminated due to reductions in state funding.**

We challenge each and every family at Clayton Valley High School to contribute to this campaign. **With your help** we can raise the funding our school requires. **With your help** we can improve the culture of Clayton Valley High School. **With your help** we can ensure our students receive the quality public education they need and deserve.

Your Dollar-A-Day contribution can and will make a difference!

Sincerely, *The CVHS Parent Faculty Club*
